Going virtual (again) implied (again)
a big drop of our expenses:

- travel reimbursement,
- on site communication,
- catering,
- etc.

So, we invited our #pts20/#pts21 sponsors to

stay sponsors for #pts22 at no cost

And now!

> Ask questions through Q&A on Zoom, speakers will answer at the end of their talk.
> Discussions: #pts21 on libera.chat
> On Twitter : @passthesaltcon #pts21
