PTS26 team feedback

Call for Papers 2026

Year	Submissions	Accepted	Invited (among accepted)	Accept. Rate
2026	47	30	2	64%

- All proposals are reviewed,
- no sponsored talk,
- **hybrid model**: CFP + a low number of invited talks

Call for Papers 2026 vs 25, 24

Year	Submissions	Accepted	Invited (among accepted)	Accept. Rate
2026	47	30	2 (6,6%)	64%
2025	49	32	4 (12,5%)	65%
2024	39	30	2 (6.66%)	76.9%
2023	45	25	2 (8.00%)	55.5%
2022	39	27	5 (18.5%)	69.2%

Conclusion: content **really stable** in quality, quantity and diversity.

Diversity among speakers is a battle that still needs to be fought 🙄

Community matters ❤️

- a real gift
- no magic :
 - years of exchange
 - same community values (open source, sharing, low access cost ...)
- need to continuously feed these exchange efforts (ex: ConfConf)
